Massachusetts Department of Environmental Protection
Division of Wetlands and Waterways
Southeast Regional Office
20 Riverside Drive
Lakeville, MA 02347

Pursuant to 33 U.S.C. 1341 and M.G.L. c. 21 §§ 26 -53, notice is given of a 401 Water Quality Certification application for the Crescent Marsh Culvert Replacement Project by the Massachusetts Department of Transportation Highway Division, Ten Park Plaza, Room 4260, Boston, MA 02116. The Project is within a private access roadway owned by Wheelabrator Technologies in Saugus. The Project will install an approximately 260-foot long six-foot box culvert connecting Crescent Marsh with the Bear Creek Estuary. Additional Project work includes maintenance of the existing stormwater system off of Route 107/Salem Turnpike, including replacement of pipe end treatments of two stormwater outfalls discharging to Crescent Marsh. Additional information may be obtained from the Massachusetts Department of Transportation Highway Division at the above address, Attention Timothy Dexter, (857) 368-8794. Written comments should be sent to MassDEP Southeast Regional Office, Division of Wetlands and Waterways, Attn: Chris Ross-Water Quality Certification Reviewer, 20 Riverside Drive Lakeville, MA 02347, within twenty-one days of this notice.

Any group of ten persons, any aggrieved person, or any governmental body or private organization with a mandate to protect the environment who submits written comments may appeal the Department's Certification. Failure to submit written comments before the end of the public comment period may result in the waiver of any right to an adjudicatory hearing.
