FEDERAL CONSISTENCY REVIEW NOTICE

The Massachusetts Office of Coastal Zone Management (CZM) is reviewing the proposal(s) listed below for consistency with its enforceable program policies. Project proponents have filed a statement and accompanying information with CZM certifying that their proposal is consistent with these policies. This information is available for public inspection at the CZM Office. Written comments may be submitted to CZM within twenty-one days of the publication date of this *Environmental Monitor*, or as otherwise noted below. Send hard copies of your comments to Robert.Boeri@state.ma.us.

Anyone having technical questions regarding a particular project should contact the reviewer listed at the end of each notice below. Anyone having questions regarding the public comment process, or having comments on any project listed below should contact:

Robert L. Boeri, Project Review Coordinator
Massachusetts Office of Coastal Zone Management
251 Causeway Street, Suite 800
Boston, MA 02114

The United States Environmental Protection Agency Region I is proposing to temporarily expand the boundaries of the Massachusetts Bay Disposal Site (MBDS). The temporary expansion will allow for the dredged material generated during the Boston Harbor Deep Draft Navigation project to be used beneficially to cover the barrel field of the historic Industrial Waste Site. Contact Bob Boeri at 617-626-1050.

Keolis Inc. is proposing to review the National Pollutant Discharge Elimination System (NPDES) permit for the stormwater and associated pollutants emanating from the North Station Railroad Terminal property to the Charles River in Boston. Contact Todd Callaghan 617-626-1233.
