FEDERAL CONSISTENCY REVIEW NOTICE

The Massachusetts Office of Coastal Zone Management (CZM) is reviewing the proposal(s) listed below for consistency with its enforceable program policies. Project proponents have filed a statement and accompanying information with CZM certifying that their proposal is consistent with these policies. This information is available for public inspection at the CZM Office. Written comments may be submitted to CZM within twenty-one days of the publication date of this *Environmental Monitor*, or as otherwise noted below. Send hard copies of your comments to Robert.Boeri@state.ma.us.

Anyone having technical questions regarding a particular project should contact the reviewer listed at the end of each notice below. Anyone having questions regarding the public comment process, or having comments on any project listed below should contact:

Robert L. Boeri, Project Review Coordinator
Massachusetts Office of Coastal Zone Management
251 Causeway Street, Suite 800
Boston, MA 02114

The Town of Sandwich is proposing a sand bypassing program that will provide a comprehensive approach to the coastal engineering practices used in the complex littoral system that the town hosts. Instead of using the present piecemeal approach to address the erosion of Town Neck Beach, the Town is proposing a larger program that applies established coastal engineering practices to manage the sediment resources along the shoreline. Contact Steve McKenna at 508-375-6856.
